ENVIRONMENTAL HEALTH

NUISANCE CONTROL The Nuisance Control Program provides environmental health and safety services so the Norwood community will be at minimal risk and free of public health nuisances. Norwood’s Health Inspector responded to 1,675 nuisance complaints during 2018 with the majority of complaints successfully resolved. The “Top 10” complaints were: - high grass & weeds (531); garbage and/or cans being left at curb days after garbage day (283); junk and debris (257); garbage set out early or not at all (154); inside furniture outside (70); water shut-off/utility issue (61); inoperable/unlicensed vehicle (54); overgrown (22) and living conditions (18).

WATER TESTING Chlorine levels are checked 365 days a year to assure the quality of Norwood drinking water. Norwood Health Department also conducts monthly testing for the presence of bacteria in the water at homes and businesses throughout the city. In 2018 we also conducted annual EPA required lead and copper testing as well as other EPA mandated analysis. The “2017 Safe Drink Water Report” was published and mailed to each household in June detailing the safety of our drinking water.

FOOD SERVICE/RETAIL FOOD OPERATION Inspections are conducted on a regular basis at all restaurants, caterers and other food related facilities to assure that the public has safe food to consume. In 2018, 345 food service and retail food establishment licenses were issued. A total of 415 food industry inspections were conducted and two (2) temporary FSO licenses were issued. Eight (8) restaurant related plan reviews were completed.

SCHOOL INSPECTIONS are conducted once a year at all schools for playground and classroom safety to help provide a good environment in which to learn and take part in school activities.

POOL INSPECTIONS 30 pool inspections of 10 public swimming pools were conducted in 2018.

ANIMAL BITES In an effort to reduce the risk of rabies, follow up or laboratory testing services were provided for 16 animal (13 dog and 3 bat) encounters.

RECYCLING Norwood residence recycled a total of 782.18 tons of material. 382 used tires and 1 ton of appliances were dropped off during two recycling events.

10,000+ free yard waste bags were passed out from the Norwood Health Department, made possible from funds generated by a Residential Recycling Grant.

VITAL STATISTICS Norwood Health Department has access to issue certified birth certificates for anyone who was born in the State of Ohio and death certificates for those who die within Norwood city limits. In 2018, 4,230 birth certificates and 315 death certificates were issued.

SCHOOL DENTAL PROGRAM Through a grant administered by the Norwood Health Department 266 K-8 Norwood City Schools students took advantage of a dental exam, cleaning, fluoride treatment and sealants (if necessary) offered free of charge.

NURSING DIVISION

HOME VISITS are the heart of our services to the community. We regularly visit citizens in their homes to assist with such things as testing blood sugars, dressing changes, nutrition counseling, parenting issues, referrals, vitamin B shots and a multitude of other areas. If you need some assistance or know of someone in Norwood who would benefit by having a nurse visit them, feel free to contact us at 458-4600.

IMMUNIZATION CLINICS are held the 2nd and 4th Monday afternoon each month, other times and dates as needed per your phone calls. 160 childhood vaccines were administered in 2018.

FREE BLOOD PRESSURE CHECKS are offered each month at the Norwood Community/Senior Center. Call 458-4636 for details. Blood pressure can also be checked at the Health Department throughout the month. Just call ahead to arrange.

BUREAU FOR CHILDREN WITH MEDICAL HANDICAPS (B.C.M.H.) is a state funded program that assists families who have children with specific illnesses or handicaps which could be financially draining to the family resources. For information call 458-4600. This is a free service.

FLU SHOTS take place daily in the fall at Norwood Health Department. Our nurses also offer on-site flu vaccine to the Norwood Community/Senior Center, Norwood City Schools and many local businesses.

SCHOOL NURSING was contracted with St. Nicholas Academy to provide all required screenings, records reviews and nursing services 2 x a week during the school year.
